OFFICE OF PETITIONS

Sir:

The subject application was transferred to and became the responsibility of the undersigned attorney after the events precipitating the unavoidable delay had already occurred. The undersigned attorney is awaiting the receipt of a formal Power of Attorney but, in order to act in an expeditious manner, and to avoid further delays, is submitting this paper prior to receipt of that formal Power.

Formerly, Patent Attorney, Nisan Steinberg (Reg. No. 403,615), was dealing with the matter at the firm of Sidley Austin Brown & Wood originally. Attorney Steinberg left Sidley Austin et al to practice elsewhere and thereafter, Sidley Austin

et al closed their patent prosecution section and the application, together with several others, was transferred to the undersigned attorney for further prosecution.

In conjunction with the above transfer, and in support of the present Petition, a Declaration was prepared by Shanna M. Chustz stating facts relative to the abandonment of the application.

A copy of that Declaration is attached to this Statement as Exhibit A.

The undersigned attorney hereby declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

NIKOLAI & MERSEREAU, P.A.
